## Intro:

G Em G C/G Am G6

## Verse 1:

G Em G C  
Well, You set me on this path So many years ago  
G Bm Am D  
It was a sunny Sunday morning When we started down that road  
G Em G C/G  
Though I entered through a narrow gate The path was clearly marked  
Am Am7 Dsus4 D  
And you promised You'd be with me Even in the dark.

## Chorus:

G6 Bm C D  
But here, in the dark, in this valley of woe,  
G6 Bm Em C/G  
I will hold to your hand, and I'll never let go.  
G Em G C/G  
It's so hard to see You, through the darkness and the mist  
Am7 Dsus4 D  
But together we can make it through this.  
G6 Bm C D  
Back there, in the rain, when I fell to my knees  
G Bm Em C/G  
You were there, picked me up, and You carried me.  
G Em G C/G  
You have always helped me up, in the moment of my need  
Am Am7 G Bm C D  
So lead on, I will follow Your lead.

## Verse2:

G Em G C  
Well You told me countless times That this path will lead me home.  
G Bm Am D  
And You've never left my side Although I sometimes feel alone.  
G Em G C/G  
Now the trail leads through a valley Where I do not want to go  
Am Am7 Dsus4 D  
And the pain is like a fire Consuming All that I know!

## Chorus:

**Verse3:**

G                      Em              G              C  
I was begging You to heal me Not so very long ago  
G                      Bm                      Am                      D  
As I've asked a million times And You've always said "NO."  
G                      Em                      G                      C/G  
But You've held me when I'm weary So the road does not seem long  
Am                      Am7                      Dsus4 D  
For I know that in my weakness You will make me strong!

**Chorus:**

G              Em              G              C/G  
You have always helped me up, in the moment of my need  
Am      Am7      G      Bm      C      D  
So lead on, I will follow Your lead.  
Am      Am7      G      Bm      C      D  
I will follow Your lead.

I will follow Your lead.
