

Trust God

Words and Music ©2006 Christopher M Solaas

Verse 1:

Four hundred fifty prophets of Baal

Four hundred others who worshipped the trees

Stood up upon the top of Mount Carmel

Trying to light a fire with prayer

Never saw one small spark of an answer

Never saw one small tongue of flame

Never even smelled the scent of smoke

Though they chanted and danced and shouted his name.

(Oh, Baal baal baal baal baal?)

Chorus:

Trust God to give you an answer!

Trust God to show you the way!

Trust God to answer with fire

Even as He did that day!

(repeat)

Verse2:

All alone stood Elijah
Stood with God all day in the sun
Mocking the prophets upon Mt Carmel
Knowing his God was the only one. (Maybe he's talking?)
Repaired Jehovah's altar (Maybe he's chasing someone?)
With 12 stones that never knew steel (Maybe he's on a hike?)
Poured 12 barrels of water on it (Maybe he's sleeping?)
Till the wood was soaked and the trenches filled.

Chorus:

Verse3:

Elijah stood at the top of Mt Carmel
Praying to God to honor His name
To prove to the people that God is living
The Lord God answered with a WHITE HOT FLAME.
Didn't leave one small drop of water
Didn't leave one small stick of wood
Didn't leave even a stone from the altar
Didn't leave even one drop of blood.
(Beam me up, Scotty!)

Chorus:
